

"This label sealed the deal on our new home."

NAME: Jesse and Melissa Gallo

THEIR DREAM HOME: Efficient, comfortable, and ENERGY STAR® certified

THEIR SAVINGS: More than \$550 off their energy bills and more than 11,000 lbs. of greenhouse gases each year

EPA's blue ENERGY STAR label on the Gallos' new home means a lot. It means their home was designed and built to standards of quality and durability well beyond most others on the market today. It also means that they will save energy and reduce the greenhouse gases that cause climate change for years to come. Visit energystar.gov.
