

THANK YOU

DEAR ENERGY STAR PARTNER,

Thank you for your organization's continued partnership with the ENERGY STAR Residential New Construction program. Last year, our partners completed over 120,000 ENERGY STAR certified homes and apartments, for a total of more than 2.3 million to date, saving homeowners more than \$32 million annually in utility costs. Your organization has played an important part in this success through your partnership.

Log in to your [My ENERGY STAR Account \(MESA\)](#) to see how many ENERGY STAR certified homes and apartments have been credited to your organization (you'll find this information under the "Partnership Activities" tab), update your organizational and contact information if needed, and access the many new [marketing resources](#) available to partners. You can also learn more about the collective impact that your organization and our program partners have made on the [ENERGY STAR website](#).

If you have any questions, please contact us at energystarhomes@energystar.gov.

Best Regards,
The ENERGY STAR Residential New Construction Team

The future starts here.
